

ANNE ARUNDEL COUNTY DEPARTMENT OF HEALTH

**Bureau of Behavioral Health
Adolescent and Family Services**

**Mental Health and Substance Abuse Liaison
to Anne Arundel County Public Schools**

Part-time County Contractual

LOCATION: 122 Langley Road N., Suite A, Glen Burnie, MD 21060

NATURE OF WORK: This serves as a clinical liaison between the School Health Office and AFS to respond to students presenting in the School Health Office requesting help with substance abuse. The incumbent in this position screens, assesses, and, if necessary, refers the student to appropriate next steps for treatment, based on ASAM criteria. Since substance abuse in adolescence is typically co-occurring with other mental health concerns, the clinician will take a holistic approach to engage the student in a conversation this is collaborative and trauma-informed to make a plan to move forward. Screening may be done in person or by tele-health.

This position will also create and maintain a directory of all substance abuse treatment providers in Anne Arundel County that serve adolescents under the age of 18 to be used in making referrals.

MINIMUM QUALIFICATIONS:

Education: Master's degree in social work, psychology or counseling.

EXPERIENCE: 2 + years post master's rendering clinical services to adolescents and families.

LICENSE: Licensed in Maryland as a Licensed Certified Social Worker-Clinical or Licensed Clinical Professional Counselor.

SALARY: \$30 per hour

BENEFITS: None

WHO CAN APPLY: Anyone who meets the minimum qualifications.

HOW TO APPLY: Send a resume or completed County application to: Sheri Streit, 3 Harry S. Truman Parkway, HD #18, Annapolis, MD 21401, FAX to 410-222-4392 or email hdstre00@aacounty.org by August 15, 2018
